**Subject:** Wildlife Habitat Council - Speaker nominations and registration are open!

Hey Bill - what do you think?? Should we take our conservation easement panel on the road? If so, we can ask Frank if he'd like us to submit to this conference. The deadline is April 10th.

Hey Kat – can you add WHC to the spreadsheet list you are putting together? I doubt we will be able to make the early April speaker deadline but it is likely a good conference for us to keep track of!

Thanks,  
Lynette

FYI that WHC is already prepping for their next conference!

I don't think there is necessarily any rush to register or sign up as an exhibitor, but wanted you to be aware in case you touch base with Frank on any training type stuff 😊

by April 10**

**Registration is open - get early bird  
pricing now**

As the only conservation organization to focus on corporate contributions to biodiversity, employee engagement and community relations, we know the significant positive impact corporations and their partners are making to the future of the environment.

But we can, and must, do more.

Join us at the 2020 WHC Conservation Conference, along with leaders in corporate social responsibility, environmental health and safety, sustainability, government agencies and NGOs – and gain relevant and timely insight into the issues facing corporate conservation today.

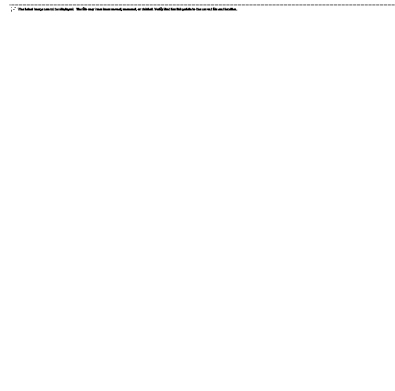

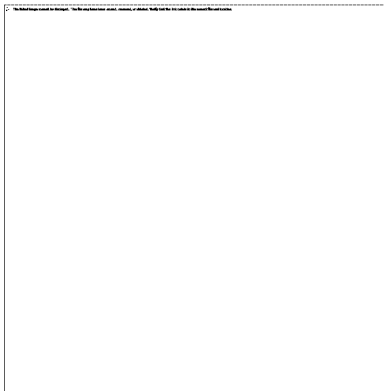

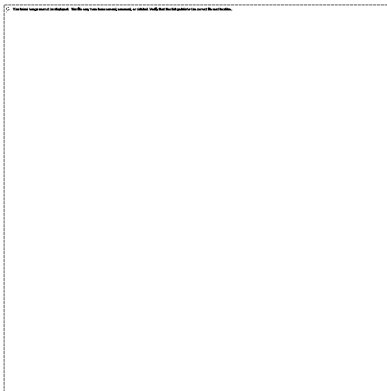

**The time to act is now. *What will your role be?***
